

## **Indiana University - Sustainability Development Program 2019 Extern – Great Dane- Brazil Indiana**

### **POSITION SUMMARY**

The extern will be placed within the Corporate Environmental Management group, and will be responsible for taking the lead on select initiatives to assist with sustainability projects. The extern will provide support for initiating a comprehensive environmental sustainability program.

Duties will include:

- Identifying sustainability-related initiatives Great Dane can employ.
- Examine existing practices and identify opportunities to enhance sustainability.
- Provide cost-benefit analysis.
- Work with various departments to understand processes and implement change.
- Provide on-going briefings and present summary findings to management.
- Attend a 3-4 day bootcamp mid-May 2019

### **Qualifications**

- The candidate must be able to work both independently and as part of a team. Have experience and/or coursework in sustainability studies, experience working with Microsoft Office products, effective verbal and written communication, self-motivated, ability to prioritize and manage multiple ongoing tasks.

### **Compensation**

Compensation will be in the form of a stipend through the Indiana Sustainability Development Program. The intern will work full time for 10 weeks, beginning in late May, and ending no later than mid -August.

### **Feedback and evaluation**

The intern will be given regular feedback from the Environmental Management staff on progress and performance. Success in the internship will be determined by the completion of specified projects in a professional and timely manner.

### **Application instructions**

To apply for this position, complete an application on the Sustain IU website. [Additional details forthcoming]. If you have questions about the program or any of the jobs available, email ISDP at [isdip@indiana.edu](mailto:isdip@indiana.edu). The application deadline is Feb. 28, 2019.
